## OBJECTIVE

I am UI/UX/Web Designer/Front End Developer.

I am able to work effectively in a team or my own. I have demonstrated an ability to lead small Teams and mentor other workers. I pride myself on being able to use my knowledge and initiative to deliver high quality results to tight deadlines.

I enjoy a challenge and look for the opportunity to expand and develop my skill set.

I have potential where as output of my work, which is always focused at the point where user, Business and technical requirements meet and tends to become perfect products.
